

PLAS DINAM  
COUNTRY HOUSE

*Wales' best kept secret*

*“What a truly remarkable and exquisite home in such a magnificent location.”*

Jill Haynes

## *Introduction*

Surrounded by 12 acres of fabulous gardens, lawns and woodland and set at the foot of rolling hills, Plas Dinam is a magnificent, Grade II listed mansion in Mid Wales. It's always exciting when you first catch sight of the house as you arrive up the winding drive.

For well over a century Plas Dinam has been a much-loved family home. It has stunning, big reception rooms and 15 bedrooms with period features throughout, but most importantly it has been lived in and cared for, so it feels full of warmth and comfort. We do warn you that you may well fall in love with it too and not want to leave!

# Your Wedding

Every wedding is different so we do everything we can to be as flexible as possible with arrangements. Our approach to organizing a wedding is based entirely on finding the right option for you, and we'll do all we can to accommodate your vision for the Big Day.

We have a list of recommended suppliers, from caterers and photographers to florists and wine merchants. You get to deal with them directly so that you can choose exactly what you want.

*“What a privilege and a pleasure to spend time in your beautiful home, and what a wonderful place for my sons wedding.”*

Lisa Williams

## Your Ceremony & Reception

An intimate ceremony for up to 60 guests can be held in the elegant drawing room or up to 100 in the amazing hall. If you would prefer an outdoor ceremony the beautiful entrance is licensed, as are the Victorian Stables, for a ceremony of up to 120 guests.

The lawns and gardens create a wonderful setting for champagne and canapes with amazing views of the hills. We have a range of outdoor games, which add fun to the atmosphere. The charming living room has a big bay window over-looking the lawns for those that would rather stay indoors, or a rainy day.

*"Was everything we dreamed of and more! We couldn't have asked or wished for anything better. Thanks."*

# Your Wedding Breakfast & Party

The dining hall is a majestic room which can seat up to 60. Its ornate high ceiling, huge windows and enormous fireplace create a grand but intimate atmosphere. The drawing room transforms in to a great dancing room with it's wooden floors and grand piano.

A fabulous alternative is the amazing Victorian Stables, with it's glass roof and beautiful tiled stables. We are very excited about the "new" old space which has received rave

reviews in its first year of use for weddings. Unique and full of character it is vintage at its best. Up to 150 can be seated to dine and there is a great dancing area.

We have a choice of recommended caterers who will cook up the feast of your dreams. You can choose your favourite wine and supplier too, with no corkage fee.

*"Incredible! Phenomenal. Autumn here is truly stunning, the perfect place to celebrate a special wedding."*
