SPARKLERS

*"...Eldrydd and Tyson are legends... Their attitude as hosts is ideal, very relaxed but with incredible attention to detail, and you'll notice this in every corner of the house and grounds."*

---

*“From the minute we landed and had our first visit we knew we had found the right place to get married - no sales pitch, just a friendly chat and the grand tour of the house: what I can only describe as utterly mind blowing! Once you’re past the beauty of the inside, then you need to take a breath before you see the grounds outside - views for days!”*

---

*“What appealed to us about Plas Dinam was the DIY nature of it - this is not a venue who pump out wedding after wedding every weekend of the year and tell you what to do, so there’s lots of room for you to stamp your own mark on it.”*

---

"We decided to have an intimate ceremony in the beautiful drawing room accompanied by music played on Plas Dinam's grand piano, followed by drinks on the lawn and dinner and evening reception in the stables."
